### **A PERSONAL MESSAGE FROM THE PREMIER**

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone taking part in Staffing for Canada Week 2008, organized by the Association of Canadian Search, Employment and Staffing Services (ACSESS).

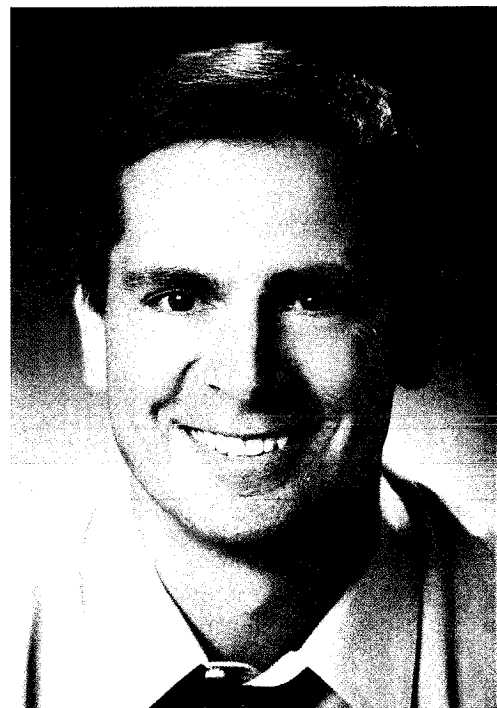

A well-trained and highly educated workforce is the cornerstone of a strong economy. Our government values the tremendous expertise of executive search, placement, temporary and contractual staffing agencies in meeting the diverse needs of employers and workers. I applaud the staffing industry and temporary and contractual employees for their invaluable contributions to the continuing prosperity of our province and country as a whole.

I would like to extend my appreciation to ACSESS for the vital role it plays as the voice of the industry and for the important services it provides to businesses and workers across Canada.

Please accept my best wishes for a successful and meaningful Staffing for Canada Week 2008.
